7. GOVERNING BOARD MEMBERS :

Pallavi Engineering College (PEC) is managed by Potla Shanthi Educational Society, Sri Malka Komariah, President and Mr. Potla Madhavi, Secretary. This college was started with a view to impart quality and value based technical education.

The names of governing body members are mentioned below. The members of this Governing Body are professionals with high qualifications and experience. They are the masters in their own field. Details of the members given below.

1	Sri. Malka Komaraiah, Potla Shanthi Educational Society, Khammam	President
2	Sri. Potla Nishanth Potla Shanthi Educational Society, Khammam	Vice-president
3	Smt. Potla Madhavi, Potla Shanthi Educational Society, Khammam	Secretary
4	Sri. Malka Yarasvi Potla Shanthi Educational Society, Khammam	Joint - Secretary
5	Smt. B. Padma, Potla Shanthi Educational Society, Khammam	Treasurer
6	Smt. Malka Pallavi, Potla Shanthi Educational Society, Khammam	Member
7	Kum. Malka Tribhuvana, Potla Shanthi Educational Society, Khammam	Member
8	Sri. Potla Nageswara Rao Potla Shanthi Educational Society, Khammam	Member
9	Dr. B Rama Devi, Professor of Chemistry, Dept of Humanities & Science, JNTUH, Kukatpally, Hyderabad	University Nominee

FREQUENCY OF MEETINGS & : **TWICE PER YEAR**
DATE OF LAST MEETING : **27-12-2023**

Name Sri Malka Komaraiah
Designation Chairman
Education B.Tech. (Civil-OU)

The rapid shift to remote learning last academic year 2020 was a powerful start, but over the past year we've learned many lessons. Academic year 2021 is a tremendous time for opportunity and innovation. Some may call it "hybrid," and others may call it "hyflex." Regardless of what we call it, these changes are sparking an endless amount of faculty creativity around learner-centred experiences. Colleges and universities not only in India, but around the world face similar challenges, and there are few, if any, industries as collaborative as higher education. By working together and collaborating with partners who share the same vision for more student-centric models, we can make learning more accessible for all students.

As a chairman, I would like to provide an equitable, adaptable, imaginative education system that truly fosters the love of learning among our millennials. An education system that can take a more holistic approach, that seeks to understand and meet students where they are academically, behaviourally and emotionally balanced, and also offer well-rounded, culturally responsive and trauma-informed curricula and instruction.

The success of young people in future is inextricably linked to healthy social and emotional development. Students who have a sense of belonging and purpose, who can work well with classmates and peers to solve problems, who can plan and set goals, and who can persevere through challenges?in addition to being literate, numerate, and versed in scientific concepts and ideas are more likely to maximize their opportunities and reach their full potential.

As an Educator, I understand the benefits of educating the whole child, and have been calling for more support and fewer barriers in making this vision a reality.

Research suggests that considering People, place, product, purpose, performance and period of time are the six ‘P’ vision that will differentiate any college from others. Efforts from management will be to focus on these six ‘Ps’ Supporting the mental health for students stressed by learning gaps and for faculty and staff distraught with changes in teaching, research and administrative functions. Challenge is not just to deliver classes remotely but also deliver experience that has significant value with renewed energy for new ideas, as individuals feel inspired to collaborate and share in securing their future.

Significant investments in services and service delivery and Provision of unique sense of place within a common virtual space with other universities will become yet another priority.

Dr. Yadu Nandan Singh

B.E.,M.Tech.,Ph.D,(CSE)

Additional Qualifications:

- a)MS from Liverpool John Moore University,UK
- b)PGD-AIML Artificial intelligence & Machine learning.IIIT-B,Bangalore.
- c)Adv.certificate Prog AIML data Science,NIT-Warangal
- d)Advanced course in Speech Technology,using Deep learning,OU,Hyderabad.

Honours Awards:

- 1)Young Scientist award,DST,GOI,2005

About Dr. Jammi Ashok

Dr. Jammi Ashok, Currently working as a Professor and Principal at Anurag College of Engineering, Hyderabad,Telangana state. He obtained his Ph.D from Anna University, Chennai in the faculty of Information and Communication Engineering.He worked at various capacities like Principal,Professor, Head, PG Coordinator, Vice Principal and Dean at reputed engineering colleges. He also worked as a Professor in the school of Electrical and Computer Engineering of reputed universities in East Africa and Australia. He is the recipient of 26 international prestigious awards like Bharat Jyothi award, Bharat Ratna Mother Teresa Gold Medal award, Outstanding Scientist Award, Best Citizen's of India award, Mother Teresa Excellence award, Rastriya Shiksha Ratna Award, Bharat Vidya Shiromani award,Vidya Ratan Gold Medal award ,Distinguish Researcher Award, Glory of India award, Best educationist Award, United Writer's Association Excellence Award, International Global Achiever's Award and Best paper Awards in

International conferences to name a few. His biography has been included in 2000 Outstanding Intellectuals of 21st century by International Biography Centre, Cambridge, England.

Dr. Jammi Ashok has been stepped into Marquis Who is Who, a renowned and highly sophisticated public profile in the world, very off late just 3% public stalwarts in our country got this tremendous achievement in India. A great achievement takes rest on his intellectuals thought provoking arena is man of the year 2016 by International Biographical Centre of Cambridge, England. Dr. Jammi Ashok has more than 90 refereed international journal and conference papers to his credit and presented papers national and internationally. He wrote four text books which are internationally published. He also had two patents to his credit. He has given live interviews on career guidance for some television channels in India. He is an editorial board member of many international peer reviewed journals and also a regular reviewer for many international peer reviewed scientific journals and conferences. He is a member in board of studies for reputed universities in India. He is a member of many societies like ISTE, CSI, IAENG, TheIRED, UACEE, IAAST and CSTA.

Mr Dr D V Ramana

Dr DV Ramana is a Data Strategist-Consultant and Academic Advisor for Pallavi Engineering College, Hyderabad, having rich experience in Research, Academic, and Industry with strong organizational capabilities and Building High-Performance Teams.

Completed Ph.D. from National Geophysical Research Institute (CSIR Lab-NGRI) Hyderabad also additional qualification in Master Business Administration (Systems-Business Analytics) from Osmania University.

Also from CSIR Lab-NGRI involved in large volume of Antarctica Data analysis, design, pre-processing, presentation, and interpretation of helicopter borne aeromagnetic large volume of data collected around the India stations Dakshin Gangotri and Maitri in Antarctica done to obtain gross estimates of the sub-glacial topography and first order information on the structure & geology below the glacier to identify the mineral deposits. A total of about 3500 line Km of data, covering an area of 10,000 sq.km were analysed, interpreted and a report was submitted to Department of Ocean Development, (New Delhi - Govt. of India),.

Dr DV Ramana worked in Corporate organizations like Multinational Companies (Baan Institute of Pvt. Ltd - ERP Product organization, Hewlett Packard (HP), Convergys), Domestic Companies (Wissen InfoTech, Applabs Ltd, Blue Star InfoTech Ltd., APTECH Ltd) and Visited countries like Kingdom of Thailand, United States of America (USA), and Uganda. Industrial experience of Twenty years in various countries (USA and Kingdom of Thailand) for successful delivery of Development and Support projects to the various clients.

Dr.Ramana is a Visiting Faculty for Department of Management and Commerce in Osmania University(India), Adjunct Faculty at National Institute of Pharmaceutical Education and Research (NIPER) Ahmedabad(India) was also Visiting Professor, ISBAT University(International Business, Science And Technology University) , visiting Faculty for the Department of Mathematics and Statistics, Osmania University, shared sessions in Gitam University(AP,India), KL University (AP,India) and Symbiosis Institute of Digital and Telecom Management (SIDTM), Pune (Maharashtra,India), and SOIL Institute of Management, Gurgaon (Delhi NCR,India).

Dr. Ramana shared Different subjects on Data Science (Business Data Analytics, Supply Chain Analytics, HR Analytics, PMO Analytics, Telecom analytics and so forth), Machine Learning, Artificial Intelligence and Deep Learning with using Python and R Programming and Management subjects, such as Statistics for Management, Technology Management, Operation Management, Management Information system(MIS), Software Engineering, Business Research Methods, Research Methodology, Operations Research, Requirement Management and Software Project Management and so on
As a SIG Big Data Analytics ? Executive Committee member for CSI Hyderabad shared and mentored to the Internship Projects and to Start-up Company in executing the Data Science Projects.

Dr.Ramana was also a part in the design and Development of the Data Science and Big Data course content for various course educational programs, Shared Series of Training sessions on Data Analytics to National Institute of Smart Governance (NISG)-Digital India, New Delhi.

Associated with Series Trends live in Program in Doordarshan (DD) Yadagiri TV Channel on "Data Science and Data Analytics" and furthermore Start-up Trends - Impact Funding and Start-up Phases ? Doordarshan ? Yadagiri TV channel.

Engaged with Course Design for 14 Colleges and Universities, 16-Webinars, 70-Invited Talks- {National Research Institutes (8), University Engineering Colleges, and Business Management

Institutes (62), Business Schools (GITAM University, Symbiosis, Pune, KL University, Jawaharlal Nehru Technological University(JNTU - Hyderabad and Kakinada), and so forth)} with publications of International and National Journals and also successfully achieved international Software Certifications in his record.

Dr.Ramana is a Subject Matter Expert (SME-Data Science) ? Board of Studies(BOS)- Osmania University College for Women, Hyderabad , Advisory Board member of Data Science and Business Analytics" - St. Ann's College for Women, Hyderabad.

Additionally an Executive Committee Member of Special Interest Group (SIG) Big Data Analytics, India, Life Member of Statistical Development of Society-Osmania University, India, Life Member for Computer society of India (CSI) and Indian Geophysical Union.

Educational Qualifications

Doctoral Degree	Ph.D. CSE, JNTU Hyderabad
PG Degree	M.Tech. CSE, , JNTU Hyderabad
UG Degree	B.E. ECE, Osmania University, Hyderabad

Professional Experience

- ✓ Presently working as Principal for **Swami Vivekananda Institute of Technology and Engineering**, Hyderabad from February 2018 to **till date**
- ✓ Worked as Principal for **Krishna Murthy Institute of Technology and Engineering**, Hyderabad From August 2015 to **November 2018**
- ✓ Worked as a **Principal** for **Avanthi Scientific Technological & Research Academy**, Hyderabad from **July 2014 to July 2015**.
- ✓ Worked as a **Principal** for **Malla Reddy College of Engineering For Women**, Hyderabad from December 2013 to Jun 2014

- ✓ Worked as a **Principal** for **Vidya Vikas Institute of Technology**, Hyderabad from July 2011 to December 2013.
- ✓ Worked for **Indur Institute of Engineering & Technology** as a **Professor & Head** in dept of IT from December 2008 to March 2011.
- ✓ Worked for **Al-Habeeb College of Engineering & Tech.** Chevella as a **Professor & Head** of Dept. of Computer Science and Engineering, IT& MCA from 23rd July 2006 to December 2008.
- ✓ Worked for **Raja Mahendra College of Engineering** as a **Assoc. Professor & Head** of Dept. of Computer Science & Information Technology from 25th September 2002 to 31st July 2006
- ✓ Worked for **PRRM Engineering College**, Shabad as a **Asst. Professor** from September 1998 to September 2002
- ✓ Worked for Soft Integral Systems as a **Software Trainer** From 10th Nov 1991 to Aug 1995

Awards

- Received “Best Principal” Award from Bharath Talents Association on October 09th, 2018.

Honors

- ✓ Serving as member of JNTUH –TS ECET Committee member from 2016 to till date.
- ✓ BOS Member for Reputed Engineering Colleges.

Patents

- ✓ **System and Method for Decomposing Organic and Food Waste.** Dr. M BalRaju, Princiapl, SVIT. Application No: 201941006917

Paper Setting

- ✓ Appointed as Paper setter for JBIET (An autonomous Institution) – Hyderabad.
- ✓ Appointed as Paper setter for Sri Indu Institute of Engineering and Technology (An autonomous Institution) – Hyderabad.
- ✓ Appointed as Paper setter for MRCET (An autonomous Institution) – Hyderabad.
- ✓ Appointed as Paper setter for MREC (An autonomous Institution) – Hyderabad.
- ✓ Appointed as Paper setter for TKRCE T– Hyderabad.

Professional Memberships

- ✓ Life Member of ISTE with Membership no. LM68945.
- ✓ Life Member of IEI with Membership no. F1262544

Distinguished / Guest lecturers

1. Invited Lecture for National conference/Symposium on Technical-Fest, Holy Mary Institute of Technology.
2. Invited Lecture for National conference/Symposium on Technical-Fest, Avanthi Institute of Engineering & Technology.
3. Invited Lecture for National conference/Symposium on Technical-Fest, Vidya vikas Institute of Technology.
4. Invited Lecture for National conference/Symposium on Technical-Fest, Mallareddy College Engineering College for women.
5. Invited Lecture for National conference/Symposium on Technical-Fest, Rajeev Gandhi Memorial, Nandyal.
6. Invited Lecture for National conference/Symposium on Technical-Fest, ASRA.
7. Invited Lecture for National conference/Symposium on Technical-Fest, TKRCET, Hyderabad.
8. Invited Lecture for National conference/Symposium on Technical-Fest, VBIT, Hyderabad.
9. Invited Lecture for National conference/Symposium on Engineers day, Al Habeeb College of Engineering
10. Invited Lecture for National conference/Symposium on Technical-Fest, Al Habeeb College of Engineering.
11. Invited Lecture for National conference/Symposium on Technical-Fest, Raja Mahendra College of Engineering.
12. Invited Lecture for National conference/Symposium on Techno-Vikas, Vidya vikas Institute of Technology.
13. Invited Lecture for National conference/Symposium on Technical-Fest, Lords Institute of Technology, Hyderabad.
14. Invited Lecture for National conference/Symposium on Technical-Fest, Holy Mary Institute of Technology, Hyderabad.

Workshops/Faculty Development Programmes attended

1. International Workshop on “**Free Software Foundation**” at Cochin, 13/11/2008

2. International Workshop on “**current trends and techniques in image and remote sensing**”, Lords Institute of Engineering and Technology. Hyderabad, from 3rd June 2013 to 16th June 2013.
3. National Workshop on “**Unified Modeling Languages Using Rational Rose**”, SNIST, Hyderabad from 13-06-2003 to 20-06-2003.
4. National Workshop on “**Object oriented analysis and design with UML**”, Indur Institute of Engineering and Technology, from 20th June 2010 to 11th July 2010.
5. National Workshop on “**Data ware Housing & Data Mining**”, J.N.T.U. College of Engineering, Kakinada, A.P. from 18th March 2006 to 20th March 2006.
6. National Workshop on “**Free Software-A Career, Academic and Research Erective**”, J.N.T.U. College of Engineering, Hyderabad, A.P, from 2nd Aril 2006 to 3rd April 2006.
7. National Workshop on “**Design and Analysis of Algorithms**”, Raja Mahendra College of Engineering, Ibrahimpatnam, .R.R.Dist, A.P. from 28th December 2002 to 12th January 2003.
8. International Conference on “**Advances in Computer Science and Engineering**”, Hyderabad, from 7 - 8 January 2013
9. National Workshop on “**Introduction to Cloud Computing and the Aneka Platform**”, JNTUH, 11th Dec 2012.
10. National Conference on “**Cisco Networking Academy Conference**”, Puri, Odisha, 29-30 July 2016.
11. National Conference on “**Cisco Networking Academy Conference**”, Hyderabad, from 9-10 February 2017.
12. International Conference on “**International Conference on Computing, Analytics and Security Trends (CAST- IEEE digital explore)**”, College of Engineering-Pune, from Dec 19-21, 2016.
13. International Conference on “**2nd International conference on Data Management, Analytics and Innovation(ICDMAI –Springer) (Yet to be published in Springer AISC Series)**”, Institute of Industrial and Computer Management and Research, Pune, India, from Jan 19-21, 2017.

Research Areas:

- ✓ Image Processing, Software Engineering, Network Security, Data Warehousing and Mining.

Research Experience

- ❖ Guiding **Fifteen Research** students.
(**Eleven** are under Completion and **Three** are awarded with Ph.D & **two** thesis submitted)
- ✓ Mr. S. Madhu (H.T.No:11PH0517) on “Cross layer design with security enhancement for multimedia transmission in wireless networks”, JNTU Anantapur in October 2018.
- ✓ Ms. A.Sree Lakshmi (H.T.No:1103PH0647) on “Dynamic Load-Aware Map Reduce Task Scheduler for Cloud Environment”, JNTU Hyderabad in April 2019.
- ✓ Ms.K Sirisha (H.T.No.1103PH0662) Department of Computer Science and Engineering for the Ph.D. thesis titled “Enhanced User Authentication and Data Integrity Mechanisms for Cloud”, JNTUH Hyderabad in July 2020.
- ✓ Mr. CH.Ravi (H.T.No.1103PH0659) Department of Computer Science and Engineering for the Ph.D. thesis titled “A Frame Work For Mining Frequent Itemsets And Correlations From Uncertain Data” JNTUH Hyderabad in 2021(thesis submitted).
- ✓ Mr. ARIF MOHAMMAD ABDUL (H.T.No.03PH06I0) Department of Computer Science and Engineering for the Ph.D. thesis titled “A Trusted Computing Technology For Protective Cloud Computing Environment” (thesis submitted).
- ❖ Guided More than **Fifteen M.Tech** Projects & More than **Fifty Five B.Tech** Projects.

Books Publications

9. ORGANIZATIONAL CHART :

10. STUDENT FEEDBACK ON INSTITUTIONAL GOVERNANCE / FACULTY PERFORMANCE

We also collect the feedback from the students of all the classes. All the members of the faculties believe that their output becomes the input for the students and the output of the students becomes the feedback to the teachers. The staff members strain every nerve to do the utmost.

11. GRIEVANCE REDRESSAL MECHANISM FOR FACULTY, STAFF AND STUDENTS:

A grievance cell is constituted with one of the Heads of the Departments and senior faculty members. The Convener is redressing any problem faced by the students. For the redressal of the grievances of the faculty and the staff, the Principal and the Secretary & Correspondent sit together frequently and sort them out.

Nature and Extent of involvement of faculty and students in academic affairs / improvements:

All the members of the faculty are totally committed to do hard work for the improvement of the institute in all the possible ways. Syllabus is covered in full. Daily 8 periods of class work is being done, including the lab work. Lab work in the related subjects are done faculties is in full swing. For the lab work, record is being maintained. Quiz and mid exams are conducted as per the norms of J.N.T.U. In addition to this, periodical tests, quiz competitions, elocutions, debates, group discussions etc. are conducted. On the other side, the students also evince keen interest in participating in all the competitions. Prizes are also distributed to the winners in various competitions to boost up their interest in such activities. In this way teachers instil qualitative education to the students without deviating from the JNTU's norms at any stage. The staff in various ways provides an impetus.

Whenever there is an opportunity, the students will be permitted for participation in Paper Presentation or Seminars in other colleges.

There is a separate placement cell on College Campus and the Placement Incharge is Prof G Krishna Murthy. He is in constant touch with various companies, organizations etc. To impart soft skills one senior and well-experienced member is appointed. Vigorous Coaching, in Math's, Aptitude and Grammar and Vocabulary is a regular feature. Separate slots are allotted in the time table for Math's, Aptitude and English Grammar etc.

Mechanism / Norms & Procedure for democratic / good Governance:

Steps are being taken up for democratic governance. The rules and regulations of JNTU and the norms and procedure laid down by JNTU are sumptuously observed for which suitable mechanism is formed like HODs, Class teachers, Disciplinary committee, Grievance Cell, Transport in-charge, maintenance in-charge etc.
