<u>DEPARTMENT OF MECHANICAL ENGINEERING</u> CIRCULAR

All the Staff and students are here by informed that the department of MECH is going to conduct a "One Week Certificate Program on DESIGN ENGINEERING" for B.Tech III & IV Year students for one week i.e., from 24-01-2022 to 31-01-2022 at 10.00 AM to 4.30 PM in Seminar Hall, Pallavi Engineering College.

All students should consider it as a mandatory and attend the program.

About College

Pallavi Engineering College has a sprawling campus and is well connected by road and easily accessible by both college and RTC buses. It has the unique advantage of being located in the heart of the city. It is situated 5 km from Nagole cross roads and 3 km from Hayathnagar. It is free from pollution and the hustle and bustle of the city. The experience at PEC is unique; studying here opens a door to a world of opportunities. The college has welldesigned, adequately furnished, ventilated and spacious classrooms. All the laboratories of Engineering and Sciences are well equipped with latest and sophisticated gadgets.

Vision

To emerge as a global leader in imparting quality technical education emphasizing ethical values for the betterment of the society.

Mission

To create an excellent teaching learning environment and inculcate the aptitude for research.

To establish centers of excellence through collaborative Initiatives.

To empower the student community by developing creativity and innovation

ABOUT DEPARTMENT

Vision

Mechanical Engineering On the trail of an admirable vision relaying on the power of technology. Striking for "Leading Edge", setting standards of excellence yet focused on adding quality to human life; We expand the reach of technology and information through innovation and invention.

Mission

Department mission is to create an innovative and knowledge-based society through concurrent teaching practices in mechanical engineering. Its highly qualified and experienced faculty and staff work with dedication and motivation. The department keeps in mind the ever changing challenges of modern day industry and its commitment to produce knowledgeable and responsible mechanical engineers fully aware of the tasks ahead.

About The Program

The workshop included with contents like Learning Tools to better Learn Design Engineering, Empathy and Empathy Mapping, Field Visit, Ideation and Ideation Canvas, Product Development and Product Development Canvas, Reverse Engineering.

CERTIFICATE PROGRAM CONTENTS

- Learning Tools to better Learn Design Engineering
- Empathy
- Empathy Mapping
- Ideation
- Product Development

OUT COME OF THE PROGRAM

One week Certificate program on "Design Engineering" From: 24-01-2022 to 31-01-2022

- Understand the design thinking process
- > Design a solution to an engineering problem
- > Identify needs and constraints of product development system
- > Create a prototype model
- > Evaluate the designed solution
- > Make economic decision for solution
