

1st October 2019

To,

The Principal,
Pallavi Engineering College
Kuntloor (V) Abdullapurmet (M) Near Hayathnagar
R R District Telangana 501 505

Sub: Renewal of MoU towards Software Training on all Drafting, Modelling & Analysis Software of Civil, Mechanical, Electrical & Aeronautical Branches.

Respected Sir,

This is in reference to our discussion on 30th September 2019 regarding **CANTER CADD** training your students in CAD software in all related branches. We are pleased to submit our proposal & Memorandum of understanding for the all training which we hope will be applicable for the coming years also.

We strongly believe that you will get the best value for money from **CANTER CADD** and will be very beneficial to your students for their career.

Thanking you once again for your interest and looking forward to associate with your institution for a long time.

Best Regards,

For **Canter CADD India Pvt. Ltd.**

Pranay Raj - Assistant Manager,
Canter CADD India Pvt. Ltd.

COMPANY PROFILE

CANTER CADD commenced its operations in 2004 with the main focus on CAD training. Today we are proud to say that we are the No. 1 CAD training organisation in Telangana & Andhra Pradesh, having over 80 branches PAN India. We are also ISO 9001:2015 certified and have trained over 2 Lakh students from various Engineering / Diploma & Project Management disciplines.

The only one of its kind, CANTER CADD, to its credit has achieved many milestones and successively too. We enjoy the current status as the market leader in CAD education and offer top of the line international quality training. Our training programs are comprehensive and are structured in a way that will impart industry specific skills to students from different industries. The students are encouraged to work on their own projects during the training program to make it more interacting, interesting and useful.

We offer the most popular training programs on CAD / CAE that caters to the needs of the various disciplines of engineering like Mechanical, Civil, Architectural and Electrical.

The training services offered by CANTER CADD ensure the following:

- *International quality course material*
- *A learners Exercise book*
- *An internationally recognized Certificate*
- *Life time technical support*
- *Placement Assistance*

At CANTER CADD, training is not a one-time phenomenon but the start of a continuous learning process.

CANTER CADD also offers post-training support to students to keep them updated on the latest trends of the industry, and to help them solve CAD related problems in their daily routine.

Note: CANTER CADD does not support or encourage piracy of software and as such, the procurement of software should be handled by the College management only.

BETWEEN

Pallavi Engineering College
(Formerly Nagole Institute of Technology & Science)

AND

CANTER CADD India Pvt. Ltd.

This MOU is entered into on 1st October 2019 by and between Pallavi Engineering College (Formerly Nagole Institute of Technology & Science)

and

Canter CADD India Pvt. Ltd, a CAD training organisation which has over 80 branches PAN India.

Objectives of the MOU

The objectives of the MOU are:

- To promote and enhance academic interest between Pallavi Engineering College and Canter CADD.
- To continue and provide quality software training to students of Pallavi Engineering College.
- To encourage Pallavi Engineering College's students to enhance their technical skills.

Technical Areas of Collaboration

- A continuing training programme to students of Pallavi Engineering College at their premises through continuous certificate courses.
- Provide quality training along with reference books and workbooks on topics of relevance to the industry.
- Provide necessary and possible technical support in organizing the training sessions.
- Lifetime technical support to students who participate in the training.
- 100% Guaranteed Placement Assistance to participating students as per our existing norms.

Proposed Modes of Collaboration

Pallavi Engineering College and Canter CADD propose to collaborate through the following:

- Cooperation and promotion of the trainings in areas of mutual interest.
- Any other appropriate mode of interaction agreed upon between Pallavi Engineering College and Canter CADD.

A specific plan for the future will be worked out depending upon availability of resources.
